STUDENT CONTRACT & AGREEMENT

I, _____, have made a commitment to join the Bayonne High School Music Department and I accept the responsibility to **C.A.R.E.** I promise that I will:

Communicate with my directors and section leaders any and all problems or ideas that I may have. If I am going to be late or absent, I promise to call the director and my section leader. I understand that when I am absent or late my fellow band members suffer and the overall musical experience is lessened.

Attend after school, evening, and summer rehearsals and performances on time. In the event that I cannot attend or will be late to a performance or rehearsal, I will follow the attendance contract and notify my director in writing in advance.

Respect my fellow students, staff members, and teachers by being prepared at all rehearsals, respecting other peoples' property and ideas. I will respect the rights of others to learn by not causing interruptions. I promise to read the band student handbook and memorize the band's **Code of Conduct**. I will respect the Band uniform and follow all uniform rules as outlines in the band handbook.

Execute all rehearsal procedures and travel procedures as outlined in the student handbook. I will attend all rehearsals and performances and I will be on time. I will not play my instrument before rehearsal begins. I will practice my parts and come to rehearsal musically prepared. I will stop playing during rehearsal when the conductor stops. I will stay in my seat during rehearsals and not speak unless I raise my hand. I will I promise to study and memorize all 15 rehearsal procedures outlined in the Band Handbook.

I also understand that although I may be prepared and C.A.R.E., it is also my responsibility to help other students in our ensemble. It is important to remember throughout the year to respect each member of the music department, including teachers, parents, and fellow students. I understand that we are all working together as a team to make this year fun and exciting and we will only be successful if we *all* give 110%, and help each other achieve our personal best. I will remember the bands' expectations to be ***prompt*** and ***prepared***, to ***practice***, and to act ***professionally***.

Lastly, I also understand that if I cannot fulfill my responsibilities that I will be held accountable for my actions and choices. I have read the Band's discipline policy and will do my best to abide by the band's Code of Conduct, the rehearsal and classroom rules, and the Band's travel and performance rules.
